1. On a computer, navigate to <https://hello.vrchat.com/>
2. Click the "login" button located on the top right-hand corner of the screen

3. Click on "Create a New Account"

- 4.

Enter the desired username, an email address, password (make sure to read the password requirements), your date of birth, checkmark the license agreement, and validate you are human. Once you have filled out all of the required information and validations click, create account

The image shows the VRChat account creation page. At the top is the VRChat logo. Below it is the title 'Create a New Account' and a 'Login' link. The form contains several input fields, each with a red arrow pointing to it from the left: 'Desired Username', 'Email', 'Re-Enter Email', 'Password', and 'Re-Enter Password'. Below the password fields is a section titled 'Use a Strong Password' with a list of requirements. Further down is the 'Date of Birth' section with a dropdown menu (showing 'January') and 'Day' and 'Year' input boxes. Below that are two checkboxes: 'I have read and agree to the Community Guidelines, Terms of Service and Privacy Policy' (unchecked) and 'Keep me up to date with VRChat News using the awesome power of your emails' (checked). At the bottom is a hCaptcha 'I am human' box with a red arrow pointing to it. The 'Create Account' button is at the very bottom.
