Logging into VR Chat on your PC

Edwin Garcia - 2022-05-27 - Comments (0) - Virtual Reality

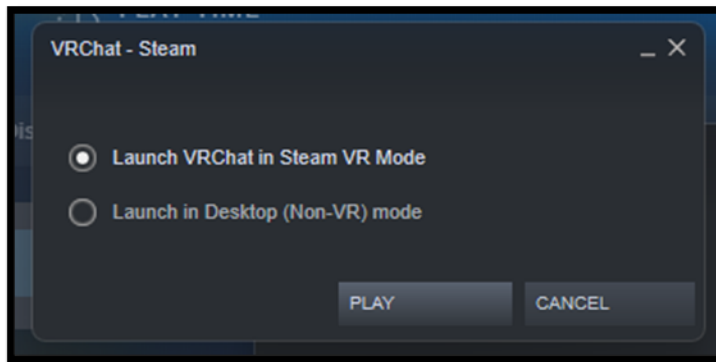

1. Click on **VRChat** on the top left side under "GAMES: (Image Below)

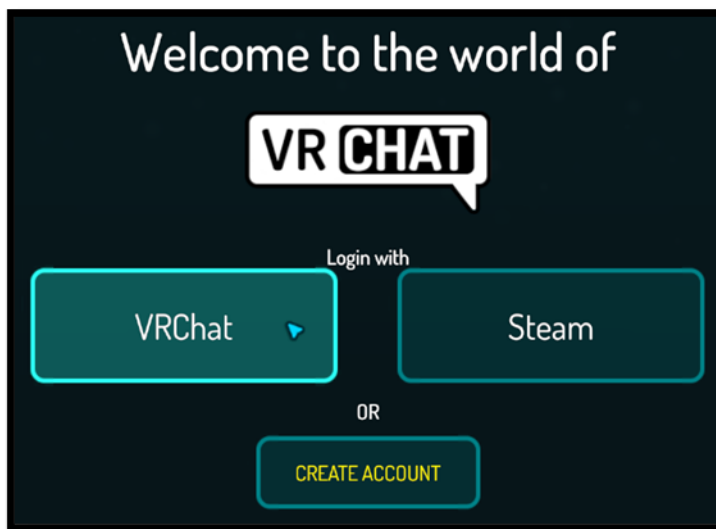

2. On the next screen click on **PLAY**:

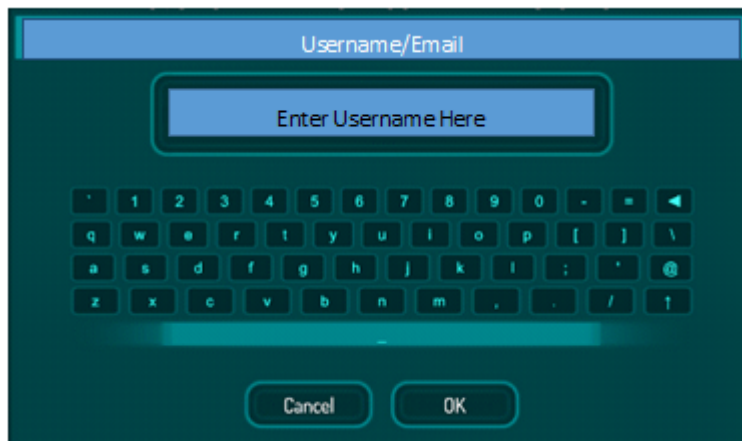

3. Then Choose the Option: **Launch VRChat in Steam VR Mode** and then **PLAY**

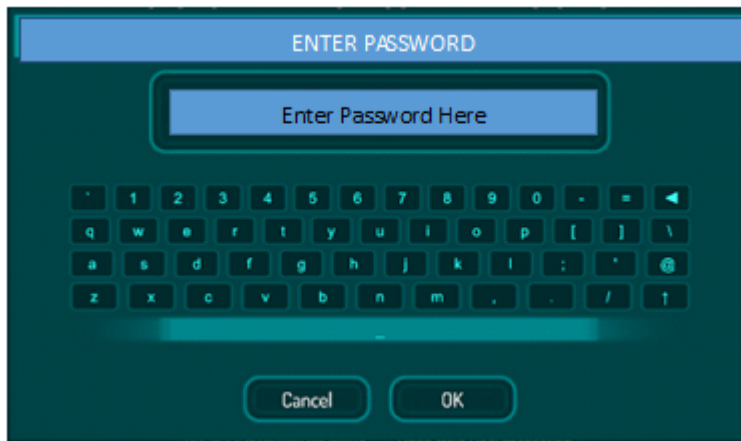

4. Make Sure to Select **VRChat**:

5. Enter Your **Username**:

6. Enter Your **Password**:

7. You would now be logged into the VRChat World.
